The present invention is directed to a system comprising a rimless stainless steel sink structured and disposed to be integrated to granite, quartz, porcelain, marble or any solid surface.

The beauty and sleek elegance of seamless look offers aesthetics and hygiene to any kitchen design.

MADE IN EUROPE

It's all about The Rimless Edge. The edge of TopZero Sink is flush to the top of your countertop instead of underneath.

TopZero seamlessly eliminates the trouble gap between the countertop and the sink, creating one less place to continuously maintain and keep clean in the kitchen.

### Benefits of TopZero Sinks:

- Cleaner, more hygienic
- No silicone joint that holds bacteria, and degrades over time
- Smooth, sleek, visually stunning infinity-pool-like appearance
- Proprietary seamless co-planner patented installation protects the countertop edge from chipping
- Avoids mold and plumbing issues with seamless install and protects your cabinet
- No sagging sinks, no more periodic undermount joint re-caulking
- Eliminates the bulky edge around the sink, providing a modern, sophisticated look
